Legislative Assembly Questions (answers) 1097
Highways Dept. Roads in Mangalore Municipality — enclosing Papers recorded.

SECRETARIAT OF THE MADRAS LEGISLATURE.
(ASSEMBLY SECTION)
30-10-1948.

UNSTARRED.

Mr. L.C. PAIS,M.L.A.

PUBLIC WORKS DEPARTMENT.

Q.No. 1117.

Will the Hon. the Minister for Public Works be pleased to state:—

(a) whether it is a fact that such of the roads as were taken over by the Highways Department from the Bangalore Municipality urgently require improved surfacing;

(b) whether the Government propose to consider the desirability of handing back those roads taken over by the Highways Department to the Mangalore Municipality;

(c) what repairs have been effected to these roads during 1947-1948 and what amount has been spent on repairs to these roads; and

(d) what the repairs effected are ever since they were taken over by the Highways Department and what their value is ?

Bkk/22.12.

Special

Memo No. 6042 A/48-1 dt 27-12-48

Sub:- Communications. Roads Mangalore Municipality Highway Deptt roads.

The B.E.(H) is requested to furnish information on the following points:—

1. Names and length of the Highway Deptt roads within the Mangalore Municipality;

2. Whether any of these roads urgently require improved surfacing;

3. What repairs have been effected to these roads during 1947-48 and what amount has been spent on repairs?; and

4. What the repairs effected are ever since they were taken over by the Highways Deptt and what the cost is?

As the particulars are required for answering an Assembly question the B.E.(H) is requested to treat the matter as specially urgent and to submit his reply by 15. 1. 1949.

To

The B.E.(H).

C No. 6042A/48

Immediate

From
V.E.Turner, Esq., B.Sc.,
A.M.I.C.E., Mech.E., M.I.E.(Ind),
Chief Engineer (Highways),
Chepauk, Triplicane, Madras.

To
The Secretary to Government,
Public Works Department.

Letter No.7050-48-G1-HR, Dated 10-1-49.

Sir,

Sub: Communications - Roads - Mangalore Municipality - Highways - Department roads -

Ref: Government Memo. No.6042-A-48-1-P. I. dated 27-12-48.

The information required by Government in their Memo. referred to above is furnished below in seriatum:-

1. Names and length of Highways Department roads within the Mangalore Municipality -

S.No.	Name of road.	From	To.	Length.
		M. F. Yds.	M. F. Yds.	M. F. Yds.
1.	Mangalore Mercara road.	0-0-0	2-4-148	2-4-148
2.	Mangalore Cheruvathur coast road.	0-0-0	1-4-0	1-4-0
3.	Mangalore Gumbad road.	1-3-210	3-1-126 2/3	1-5-136 2/3
4.	Mangalore Baindur coast road.	0-0-0	3-4-0	3-4-0
				9.2.

2. Whether any of these roads urgently require improved surfacing.

The following two roads in the Municipal limits require improved surfacing.

1. Mangalore Gumbe road.
2. Mangalore Baindur Coast road.

Improved surfacing of item 2 has already been proposed in the part II scheme proposals for 49-50 submitted to Government from this office as it finds a place in the five year programme of Post War Road Development. Item 1 is not provided for in the five year programme of Post War Road Development and hence it was not included in the part II scheme proposals for 49-50. As this work is within the comprehensive programme of Post War Road Development. Due to the curtailment of the original programme this work was given a lower priority and is therefore proposed to be taken up in the later plan. In this case the Superintending Engineer is being asked to provide this road with dustless surfacing under maintenance grant if possible as a temporary measure.

Regarding the remaining two points, i.e. items 3 and 4 of the Government Memo. referred to above, I am enclosing two statements A. & B respectively furnishing the information required.

For Chief Engineer (Highways),

Enc. 2 statements.
/c.10-1-49.

P. W. D (1)

Please see the Assembly question at p/cf. An advance copy is being circulated to H. M (PW) separately. The Question - Clause (b): Proposal for retransfer of the Highway deptt roads in Mangalore Municipality :- The general question whether the Muncipal councils should be asked to meet any part of the cost of maintenance and improvements to Highway deptt roads within their limits or whether such roads should be revested in the Municipal councils is separately under consideration.

The information required for answering

the other clauses may be obtained from the S. E(H). A draft memo is submitted for approval.

20.1.49

PWD (H)

From the S. E(H) Letter No 7050-48-C1-HR dt 10-1-49.

A draft answer based on the S E's letter on the subject 'X' at pp 5-9 C and 'X' on P1 ante is submitted for approval. After approval in circulation, 400 copies of the paper placed on the table of the House may be got printed and supplied to the Secty of the Legislature.

19.1.49

With reference to 'X' at p 5 C, it may be mentioned that works for dustless surfacing the Mangalore Bandar road between M. 0/0 and 3/4 at a total cost of R. 1,51,550 have been accepted as part II scheme for 1948-50. The provision applied for the works in 1948-50 is 50,000.

20/1/49

This file relates to a Legislative Assembly ... starred question proposed to be asked by ~~Mr.~~ Mr. L.C Pais, M.L.A., The Question has been admitted. As the question is unstarred no supplementary quest... will be asked.

Information for answering the question has ... obtained from the Chief Engineer (H). The various ... of the questions are discussed below:--

Clause (a): Whether it is a fact that such of t... roads as were taken over by the Highways Department from the Mangalore Municipality urgently require i... surfacing;

The following roads are reported to have been ... over by the Highways Department from the Mangalore Municipality:-

Name of road.	Length M.	F	Yds.
1. Mangalore Kercara road	2	4	148
2. Mangalore Cheruvathur coast road	1	4	0
3. Mangalore Agumbe road	1	5	136 2/3
4. Mangalore Baindur coast road	3	4	0

Of these four roads items 3 and 4 require ... surfacing. Item 3 is not provided for in the five year programme of the Post War Road Development and hence it has not been included in the Part II scheme proposed for 1949-50. But this work is within the comprehensive programme of Post War Road Development. Due to the curtailment of the original programme this work was given lower priority and therefore it is proposed to take it in the later ~~stage~~ phase. The C.E.(H) is asking the S.E. to provide this road with dustless surfacing under maintenance grant if possible as a temporary measure;

Item 4: The C.E. (H) sent up the expenditure in re... to this item as a part II scheme for 1949-50. This ... finds a place in the five year programme of Post ... Road Development. ~~the estimated cost of the part ...~~

The estimated cost of the work is roughly Rs. 1,11,000 and the provision applied in 1949-50 for this work is Rs. 60,000. The part II clause has been addressed.

It will be seen from the above that four roads have been taken over by the M.& B. Deptt. from the Mangalore Mpty. and of these only two require improved surfacing. The answer to this clause may therefore be as follows:--

"Four roads were taken over by the M.& B. Deptt. in the Mangalore Municipality and of these four the following two urgently require improved surfacing:

1. Mangalore Agmoe road

and 2. Mangalore Bolidar coast road."

Clause (b): Whether the Government propose to consider the desirability of handing back those roads taken over by the M.& B. Deptt. to the Municipality:

The question of revesting the roads with the Municipality will have to be considered with reference to the general policy to be adopted regarding the sharing by the Municipalities of cost of maintenance and improvements of Govt. roads in Municipality. A reference in this regard has been issued to the C.E. (H) and his reply is awaited in the connected file. So the answer to this clause may be as follows:--

"Yes. Such a proposal is under consideration." (See draft B)

Clause (c): What repairs have been effected to these roads during 1947-48 and what amount has been spent on repairs to these roads; and

Clause (d): What the repairs effected are ever since they were taken over by the Highways Deptt. and what their value is? 6 clause d' p 1 ch.

The statement at p.7 c.f. furnished by the C.E.(H) shows repairs totalling to an amount of Rs.32,821-6-0 has been spent during 1947--48. A copy of this statement may be laid on the table of the House.

The statement at p. 8 c.f. shows the details in regard to repairs effected since the roads were taken over by the M.& B. Deptt. and the amount spent on

6042 A/48

repairs. The answer to these clauses may therefore be as follows:-

The attention of the Hon'ble Member is invited to the Paper laid on the table of the House.

Action for getting the Paper laid on the table of the House printed will be taken as soon as the draft answer submitted is approved by H.M(P.W).

Based on the draft answer suggested above a consolidated draft answer is submitted for approval.

(Extension of time for sending the answer to the Legislative Secretariat may be asked for. Draft u.o.Note submitted may be approved.)

The file may be circulated to H.M.(P.W.)
